A Message from the Executive Director

Dear members, funders, partners, and friends of Bantu e.V.,

2023, this word will always resonate in the history of Bantu e.V. It was our most active, most impactful, and most moving year to date.

I thank the Stiftung Nord-Süd-Brücken from the bottom of my heart for funding two projects in Uganda: P 22/29 (completion) and P 23/91. 225 young people received ICT certificates that can change their lives. 172 children with cerebral palsy received medical and therapeutic support. These numbers represent real people, real families, and real change.

I thank the Robert Bosch Foundation for funding the Mama Circle project, which gave refugee mothers in Berlin a network of support and dignity. To the entire Mama Circle team, Melkam Thoma, Laone Manyeula, Siga Mbaraga, N'zinga van Dunen Santiago, Daniel Wamara, Stephen Muthusi Katembu, and all others, I extend my deepest respect.

I thank the Federal Ministry for Economic Cooperation and Development (BMZ) and Engagement Global for the trust they placed in us when they funded the Teams-up! project 'Okushoma kwa Boona'. This youth exchange brought together 12 young people from Germany and Uganda and is one of the most significant steps Bantu e.V. has ever taken.

I thank the Berlin-Mitte District Office for supporting the FashionEmpowerment project and the Integration Fund. And ABI Uganda, Racheal, Seith, Babra, Henry, and everyone else, thank you for your tireless work and your friendship.

In gratitude for a year, we will never forget

Boaz Murinzi Murema

Executive Director

Introduction

2023 was the most productive year in Bantu e.V.'s history: three overseas projects and five domestic projects ran in parallel. The annual surplus of EUR 143,436.35 is not a profit, it consists predominantly of unspent, designated BMZ project funds held in trust (project funds for the period through June 2025).
